ABOUT ME

I have worked in customer support for 10 years. I started in technical support and then worked in implementation and customer care. In my last job I was responsible for a team of 10 people. I moved to the United States recently and am now looking for a new job.

PROFESSIONAL EXPERIENCE

Customer Care Lead 2022–2026

Northstar Connect GmbH — Germany

Hybrid

- Managed a team of 10 customer care specialists.
- Organized the daily work and helped with difficult customer cases.
- Spoke with team members about their work and helped them improve.
- Checked customer conversations and gave feedback.
- Worked with Product and Technical teams when customers reported recurring problems.
- Helped train new people joining the team.
